Music Concert

LPHS is pleased to welcome students of Harvard-Westlake school from Los Angeles, California, who are among us this morning. All LPHS music students will be attending a concert this morning during the auditorium.

Periods 1 and 2 will be for all music students. Grade 9, 10 and 11 students will remain in the auditorium for period 3 also.

Vimy

There is a mandatory meeting today at lunch in the computer lab for all students going on the Vimy trip. Veterans Affairs Canada has issued new tickets at the last minute and the teachers need to make sure all students have the required documentation to attend the ceremony. This meeting is mandatory but should not take long.

Again, that's at 1pm in the computer lab for all students going to Vimy.

Let's recycle!

In an effort to be more environmentally friendly, we have received several more big blue recycling bins from the city. We kindly ask all students and staff to not throw food in the blue recycling bins. These blue bins are for recyclable products such as paper, cardboard, plastic, glass and not for composting products like food and waste.

Can Drive Fundraiser

We have Can Drive fundraiser going on. Please recycle aluminum cans such as soft drinks and juices in the big recycling box that you will find in the main lobby and in the cafeteria. Money collected from the can recycling goes back to the school. Thank you
