If you have cans to recycle at home that you would like to donate please bring them to the main office. Money collected from the can recycling goes back to the school.

Let's recycle!

In an effort to be more environmentally friendly, we have received several more big blue recycling bins from the city. We kindly ask all students and staff to not throw food in the blue recycling bins. These blue bins are for recyclable products such as paper, cardboard, plastic, glass and not for composting products like food and waste.
