Dear Parents and Guardians,

Resumption of Student Locker use:

With the colder winter weather approaching, we have been authorized to permit students to leave their outwear (jackets and boots only) in a locker assigned only for their use. This will begin November 5th.

Lockers are assigned by the Homeroom Bubble teacher, near the bubble classroom, while respecting social distancing and covid 19 protocols.

No locks will be permitted to avoid crowding and congestion. Therefore locks found on lockers will be removed. Books and personal items will continue to be kept in the classroom.

No valuables are to be left in the locker as there will be no locks. The school will not be responsible for valuable items left in the locker.

The use of a locker is not mandatory but rather a support with winter weather approaching.

Respectfully,

Mrs. Payette & Ms. McKergow
Principal Vice Principal
