January 15th, 2021

Good Evening,

On Monday, January 18th, we will resume classes in our building.

Grades 7 and 8: all classes are in person at Lindsay Place.

Grades 9, 10 and 11: students follow their days for in school and online schedules as we did leading into the holiday.

Minister's announcement updates:

- As announced by the Ministry, all students will be provided with 2 medical procedural face masks everyday at school.
 - Students should have their own face-covering/mask when leaving their home, and must wear it as soon as they are on school property.
 - Once they are in their homeroom class, their teacher will issue their 2 medical procedural masks for the day.
 - Students must wear this medical procedural mask while in the building at all times unless **sitting and eating** in their class bubble.
 - We recommend they change their mask after lunch and wear the second mask home after school, disposing of the mask once home.
 - If your child arrives late to school, they will receive their masks from the main office when they sign in.

Please provide your child with a paper or ziplock bag to safely store the masks that will be provided to them by the homeroom teacher.

- All safety precautions and protocols remain in place at school aligned with Public Health and following Ministry directives.
- ***Should you or anyone in your household show any symptoms for COVID - testing is recommended immediately. You are no longer to wait 24 hours.***
- ***Should anyone in your household display symptoms, students must remain at home.***
- Please follow the guidelines given to you by the School Board, Public Health and the Ministry's communications.

- We will continue to update you with any new information that is brought to our attention.

Re-registration 2021-2022:

Registration for **Gr 6 students for High School 2021-2022** will begin next week Jan 18th - Jan 22nd.

Re-Registration will begin for **current Gr 7-10 students for 2021-2022** the week of Feb 1-5th.

This will all be done on the Parent Mozaik portal. You will only need to select the school of your choice. All current Lindsay Place students will automatically be considered St. Thomas students and you will simply confirm this re-registration. Should you wish to request a transfer to another school you will need to follow the instructions on Mozaik to make this selection.

We have placed requests with the Administration at St Thomas to provide our community with information regarding their various programs and options. They are in the process of working on compiling this information. I will provide you with the information as soon as it is available.

Once you have had a chance to review this information, in February you will be guided to complete the option selection in Mozaik.

One step at a time, we will all get through this together.

Respectfully,

Mrs. Payette
Principal
Lindsay Place High School
