Dear Parents/Guardians,

With tonight's press conference, we are returning back to our hybrid schedule for Sec 3, 4 and 5 students **effective tomorrow April 7th**. We are not waiting until Monday as suggested by Premiere Legault. This approach is being taken by all high schools within the LBPSB so that the safety of our students and staff can remain our priority.

### **In summary:**

**Sec 1 and 2:** Nothing changes with all students and bubbles being present in school.  
**WOTP:** Nothing changes. Students attend school.

**Online for tomorrow April 7:** All Sec 4 classes, Genesis Sec 4 students and Sec 3 bubbles 336 and 338.

**In School tomorrow April 7th:** All Sec 5 classes, Genesis Sec 5 students and Sec 3 bubbles 334 and 335. Grad photos will go ahead as planned.

The hybrid schedule will then rotate as we have been doing over the course of this year.

Thank you for your support,

Mrs. Payette
