

What's happening @ LPHS

Open House: We had an amazing turn out at our Open House despite the rain on Thursday, October 20th. Hundreds of people entered our school and were thoroughly impressed with the enthusiasm of our staff, and students, our varied programs and excellent facilities. We want to thank everyone who helped to make this event such a success, including members of our Home & School, Governing Board and LPHS Alumni Foundation. The feedback has been very positive and we hope to continue to build on the momentum so we are asking everyone to continue to brag, “share”, “post”, “like”, and “tweet” all the positive things we all love about “our place”.

It is not too late for prospective parents to enter the contest to win an ipad. All a parent who is considering sending their child to LPHS for next year has to do is follow the Google survey link below to enter an email address, as well as the school where their child now attends grade 6. A winner will be chosen from among the students who will register here in January.

Volunteers: St John Fisher Home & School are still looking for 6 – 8 grade 11 volunteers to help with a fundraising event on the evening of October 27th. Details and sign up information in the guidance area.

Morning announcements are posted on the school website and parents are invited to check them daily: <http://lindsayplace.lbpsb.qc.ca/>

Early Dismissal: We would like to ask for parents' cooperation in respecting our technology policy and not text or email your child while they are in class. Students caught using their cell phones in class risk having their phones confiscated. If your child needs to leave the school early we ask that you provide a note in their agenda or, if it is a last minute decision, please call the school and we will call your child out of class. If your child is ill and needs to go home we ask that they report to the cycle 1 or main office and call home from there. We have had a number of incidents where we have not been able to determine the whereabouts of a student due to this. Therefore, as a safety precaution, we require that students feeling ill report to one of the offices to contact a parent.

Notices for Parents: Parents can find copies of all notices sent home from the school administration on the school website. Check out the following link: <http://lindsayplace.lbpsb.qc.ca/notices.htm>

Don't forget to promote our wonderful school and showcase all the great things Lindsay Place has to offer. "Like" our Facebook page, follow us on Twitter and Instagram and share our posts
