We will once again be holding a draw for a brand new iPad for all those who register for grade seven for the 2018-19 school year. Note also that if you know of any families who missed the Open House, **they should contact the school at the main office (514) 694-2760 and individual tours can still be arranged.**

These blue bins are for recyclable products such as paper, cardboard, plastic, glass and not for composting products like food and waste. We also have several brand new boxes throughout the school for empty soda cans, which we will be collected and returned for refund.

Thanks so much for helping keep our planet green!
