Boys to Men: Boys to Men is non-profit mentoring program that has been operating throughout the United States and Canada 1996, and seeks to provide positive male role models for boys aged 13 – 17. Peer Tutoring:

All students in grade 9 or above, who are interested in becoming a peer tutor are asked to please fill out a form and return it to Mr. Khan. Forms can be found on the counter in the Guidance area. Students looking to be tutored can also find a form in this area and should return the completed form to Mr. Khan. Remember, grade 9 & 10 tutors will receive \$12/hour, grade 11 tutors \$14/hour.

Take-Out Food: This is a reminder that students are not to order take-out food without prior permission from the school administrators. It causes confusion and disruption in the office and classrooms.

Let's recycle and Compost! In an effort to be more environmentally friendly, we have received several more blue recycling bins and green compost bins from the city. We kindly ask all students and staff to not throw food in the blue recycling bins. These blue bins are for recyclable products such as paper, cardboard, plastic, glass and not for composting products like food and waste. We also have several brand new boxes throughout the school for empty soda cans, which we will be collected and returned for refund.

Thanks so much for helping keep our planet green!

Students are asked to please listen carefully to the daily morning announcements for important information about upcoming events. Announcements are also posted daily on the school website and on TVs in the main lobby and library. <http://lindsayplace.lbpsb.qc.ca/>
