

Dear Lindsay Place Community,

We would like to thank you for your continued diligence with all things COVID related. Working in collaboration to mitigate against the challenges this pandemic poses has brought about wonderful teamwork from all.

During these stressful times it is important to remember that Public Health takes the lead when a positive COVID 19 is reported. We follow their directives of Public Health, the Lester B Pearson School Board and the Ministry, and put into place all the steps that they deem necessary. **We have no new reporting to date.** Should that change we will update you.

Halloween: We are permitting students to dress up for Halloween however **the appropriate face coverings must always be worn and not substituted with a costume.** The staff has prepared some fun for our students in their class bubbles for students on October 29th.

All week: Door decorating competition between homerooms. Voting will take place on October 29th.

Halloween Bingo during last period include all students who are online that day.

We have been making the best out of the changes to our bus and drop-off in the mornings and afternoons. Points to keep in mind are the following:

Have your child exit the car in the parking lot across the street from the school but not in the exit of the lot. This poses a safety concern.

Some are using the back of the school as their child's entry door is in that area. Please pull into the church's parking lot and do not use the Elementary roundabout for this purpose. Our students can walk to and from the Church's parking lot.

We wish you a wonderful weekend,

Mrs. Payette & Ms McKergow
