October 28th, 2020

Dear Parents of Gr 9 students,

As per the directives from Public Health and the Minister of Education's announcement, effective **Monday, November the 2nd** the following plan will be put into place for our **grade 9 classes**. Nothing changes for our grades 7, 8, 10 and 11's.

For grade 9 only, the following has been organized:

- Your child's schedule remains the same following the 6-day tumbling timetable. The shift will be when online at home. Classes will be for a total of 40 minutes each period as follows:
 - 30 minutes direct instruction from the teacher followed by the student having independent work time
 - 10 minutes of availability by the classroom teacher attached to each class to support our students
 - Due to blended online teaching, make sure your child checks in with their teachers for class start times and links for Google Classroom or Zoom.
- **Gr. 9 class bubbles 336 & 338** will be **online: Days 1, 3, & 5** and they will be **in school 2, 4 & 6**
- **Gr. 9 class bubbles 334 & 335** will be **online: Days 2, 4 & 6** and they will be **in school 1, 3, & 5**
- **Teachers have advised their students which platform they will be using (Google Classroom or Zoom.)**
- Attendance is mandatory for both online learning and in school and will be taken.
- Please continue to follow the absence reporting of your child and all Public Health guidelines.
- When students are physically in school, they will be following the regular school day and assigned period timeframe.
- It will be important that students check their email and Google Classroom daily.

Please follow the school days in the agenda carefully to stay aligned with the calendar and school day.

We have had to make multiple pivots to adhere to the directives from the Minister of Education and Public Health during these challenging times. I would like to thank you and our staff for your collaboration and adaptability to the ever-evolving news.

Respectfully,

Mrs. Payette
Principal
