

What's happening @ LPHS

We hope you had a happy holiday season and continue to stay safe.

This week's news brought an extension to our online learning due to the continual increase in COVID -19 cases. With the directive from Premier Francois Legault, our classes will be extended to continue online for the week of January 11th through to January 15th. On Jan. 18th, we will resume classes in the school building, unless directed otherwise. We will be watching the news closely and should the directives change, we will notify you as soon as possible.

If your child has ANY COVID 19 symptoms, please follow public health directives. Absences should still be reported while online learning. When calling the school to report an absence, please be as specific as possible when explaining the reason. If you have Covid-19 symptoms to report and are going to a testing clinic, please leave the information on our answering service. This is essential for our documentation and tracking.

LBPSB Career Fair For Secondary 4, 5, & WOTP students:
