

What's happening @ LPHS

We want to wish a Happy Easter to all those who are celebrating.

Ministerial directive: As we previously communicated, the Minister of Education has mandated that all high school students return to full time in-person learning. Please follow the schedule below:

- **April 7th : Secondary IV-V** will begin attending school on a regular schedule in school full time. **Therefore, all grades will be present in school full time as of April 7th .**

Please note: As of April 7th, all Sec IV and V Students will be required to enter the building by the front main entrance due to construction. **For the safety of all, no cars or students are permitted in the back parking lot.**

Grad Photos : The photographer will be here on Wednesday, April 7th.

The cost is \$15 cash or cheque payable to Lifetouch. This fee includes the photo session, 4 proofs, the grad photo in the yearbook and a 11X14 inch keepsake copy of the graduation group mosaic. (Please see attachment for further instructions)

With the ongoing concern of Covid 19 and it's variants, we continue to be mandated to follow all protocols set forth by public health with the objective of keeping our staff and students safe. If your child has ANY COVID 19 symptoms, please follow public health directives and DO NOT SEND THEM TO SCHOOL . Should you or anyone in your household show ONE of any symptoms for COVID listed below - testing is recommended immediately along with isolation. You are no longer to wait 24 hours. You can follow this link for the Quebec Covid 19 Self Assessment Tool:

<https://www.quebec.ca/en/health/health-issues/a-z/2019-coronavirus/covid-19-symptom-self-assessment-tool/>

****In the event you receive a positive test result please call the school immediately at 514 694-2760 and leave a detailed message and Mrs. Payette will get back to you as soon as possible.**

COVID 19 symptoms:

1. Shortness of breath or difficulty breathing
2. Feeling feverish or body temperature equal to or over 38°
3. Chills
4. Sore throat
4. Nasal congestion and/or nasal drip
5. Diarrhea
6. Muscular pain or body aches (not related to exercise)
7. Headache
8. Vomiting or abdominal pain
9. Sudden loss of smell and/or taste without congestion
10. Fatigue or weakness
11. Loss of appetite
12. Onset or worsening of a cough

****Please check your emails regularly for important notifications and updates.**
