

What's happening @ LPHS

Change in Ministerial Directive: The Minister of Education has now mandated that all Sec 3, 4 and 5 students return to the hybrid schedule of on-line and in-person learning. We have returned to our previous alternating schedule. Grade 7 & 8 and WOTP students continue to attend in-school every day.

Please note: All Sec IV and V Students are now required to enter the building by the front main entrance due to construction. **For the safety of all, no cars or students are permitted in the back parking lot.**

Parent Teacher Interviews: Our second session of Parent/Teacher Interviews will take place on-line on **April 16th (9am - 12pm and 1pm - 2:55 pm)** Please note, these interviews will be **by appointment only**. To arrange your appointment(s), please book through the Mosaik Parent /Teacher Interview Portal using your child's name **between 5:00pm today, April 9th and 5:00 pm April 12th**. Understandably, we cannot accommodate last minute interview requests. Appointments will be a duration of 5 minutes. ***If you are comfortable with your child's progress you are not obligated to request a meeting or interview.**

With the increasing concern of Covid 19 and it's variants, we continue to be mandated to follow all protocols set forth by public health with the objective of keeping our staff and students safe. **It is important to respect class bubbles even when outside of school to limit the possible transmission of the virus.** If your child has ANY COVID 19 symptoms, please follow public health directives and **DO NOT SEND THEM TO SCHOOL** . Should you or anyone in your household show **ONE** of any symptoms for COVID listed below - testing is recommended immediately along with isolation. You are no longer to wait 24 hours. You can follow this link for the Quebec Covid 19 Self Assessment Tool: <https://www.quebec.ca/en/health/health-issues/a-z/2019-coronavirus/covid-19-symptom-self-assessment-tool/>
