

What's happening @ LPHS

Your support would be appreciated:

Teachers and Administration are outside daily, supporting the flow of traffic for the entrance and exit of our students. Sadly, when speaking to some parents/guardians we have been met with aggression. We are facilitating the flow of traffic and reminding people of the rules in place for the safety and wellbeing of our children. We need to make sure that these rules are respected at all times. A little kindness goes a long way. Thank you in advance for your cooperation.

LPHS Eagles Clothing Store: For one last time, our Eagles online store is open. We have added "LPHS" on the back of the hoodies and shirts! Last chance to get your LPHS Merch before we close our doors. The store will close April 30 and all orders will be processed at that time. You may have the items delivered to the school for free or pay for delivery at your residence.

Food Delivery: We kindly remind parents avoid delivering food to your child during the school day or having a delivery service (i.e. uber eats, door dash) deliver to our school as parents/visitors are not permitted in the building and this causes frequent disruptions to our staff. Thank you for your cooperation. This has long been our policy in the past as it poses a security concern as well as violating our Covid 19 safety policies and visitor restrictions.

With the increasing concern of Covid 19 and it's variants, we continue to be mandated to follow all protocols set forth by public health with the objective of keeping our staff and students safe. It is important to respect class bubbles even when outside of school to limit the possible transmission of the virus.

If your child has ANY COVID 19 symptoms, please follow public health directives and DO NOT SEND THEM TO SCHOOL . Should you or anyone in your household show ONE of any symptoms for COVID listed below - testing is recommended immediately along with isolation. You are no longer to wait 24 hours. You can follow this link for the Quebec Covid 19 Self Assessment Tool:

<https://www.quebec.ca/en/health/health-issues/a-z/2019-coronavirus/covid-19-symptom-self-assessment-tool/>

****In the event you receive a positive test result please call the school immediately at 514 694-2760 and leave a detailed message and Mrs. Payette will get back to you as soon as possible.**
