Dear Lindsay Place Parents:

First of all, I would like to say how pleased I am about the warm welcome I have received at Lindsay Place High School from both the staff and the students. We have had a tremendous start to the school year, with many exciting new activities planned for the students. This gives fantastic positive momentum to carry us forward, and bodes extremely well for the school year which has just begun.

I would also like to let you know about a slight but important change that we have made regarding the parents' Annual General Assembly / Meet the Teacher evening on September 22: We will start the AGA at **6:30 p.m. instead of 6:45.** We would like to make this change for two reasons:

- 1) We would like to ensure that there is sufficient time to conduct the Governing Board Elections that are the main order of business at the AGA.
- 2) Following the AGA, I would like to introduce myself to the community and address the parents briefly as group at 7:15 to start our Meet the Teacher evening.

So, to summarize the evening on September 22 will proceed as follows:

- 6:30 – Parents' Annual General Assembly and Governing Board Elections.
- 7:15 – Address to the LPHS Parent Community from David Estok, Principal.
- 7:30 - Meet the Teacher Evening begins (a more detailed schedule will be sent to you next week regarding this portion of the evening).

Again, I would like to let you know that it is a pleasure and an honour to serve you, the staff, and the students of the Lindsay Place High School community. We hope to see as many of you as possible here on Sept. 22.

Sincerely,

David Estok,
Principal
