November 18, 2016

Dear Parents/Guardians,

Today we are sending home students' first term report cards. We congratulate all of our students for their hard work this past term. As you know, the copy of your child's report card you receive today is yours to keep. We do ask that you please sign and return the envelope it is sent in as soon as possible to indicate that you have seen and reviewed the first term report.

You will notice that on the front of the report card is log-in information regarding the Lester B. Pearson School Board's Single Sign On (SSO) system. Here, at the end of the year, you will be able to access final marks involving subjects with Ministry exams. All other information regarding term and final grades is included on the report cards.

Included with first term reports are the following other documents:

- A reminder memo concerning next week's parent-teacher interviews.
- Your child's IEP (if applicable).
- Up-dated statements of account (if applicable).

Please do not hesitate to contact us with any questions related to your child's evaluation or academic progress.

Sincerely,

David Estok
Principal
