To All Lindsay Place Parents, Guardians and Students:

School is open today, however please note that **all schoolbuses are experiencing significant delays** this morning due to the current weather conditions. If your child has not yet been picked up by bus we suggest that you consider alternate means of transportation to school this morning. All buses will eventually complete their routes, but again, please note that they are experiencing significant delays.

School dismissal will occur at the regular time today of 3:45.

Thank you for your patience with this matter.

David Estok
Principal
