Dear Parents/Guardians:

As you know, some areas of the city of Montreal have been placed under a state of emergency due to the recent heavy rainfall and flooding. Although this has forced a number of schools in the Lester B. Pearson School Board to be closed tomorrow, please note that Lindsay Place High School has not been affected and remains open. Please see the LBPSB website for more information regarding school closures:

We are aware that a number of our families reside in the areas that have been most seriously affected by flooding, particularly in Pierrefonds-Roxboro, Ile-Bizard, and Kirkland. We are reaching out to any families in our school community who may have been adversely affected by these events, and ask that you please contact us to let us know, in order that we may be helpful and supportive in any way we can.

Again, please check the Lester B. Pearson School Board website for the most up-to-date information regarding this on-going situation, and do not hesitate to contact us with any questions you may have.

Sincerely,

David Estok
Principal
