Thursday June 7th 2018

Dear Parents/Guardians:

The school year is quickly coming to an end and the examination period officially begins next **Monday, June 11th**. Please take note of the important announcements/changes below in order that you may plan accordingly.

Schedule during exam days: Students are to follow the exam schedule as of June 11th. The schedule is available on the school website:

<http://lindsayplace.lbpsb.qc.ca/documents1718/2018-06-Exam-Schedule.pdf>

All students need to arrive on time for their exams and may leave once the required time for their presence is over (all students must remain for a minimum of 90 minutes).

Note that there are **tutorials** scheduled for some subjects. Attendance at the tutorials is recommended - especially if a student is experiencing difficulty with a particular subject – but not mandatory.

When there are no exams/tutorials scheduled for your child's grade level, your child is expected to remain at home and use that time for studying. Please note that cycle 1 students must sign out at the main office with a note from parents if they are leaving the building early.

Bussing Schedule: The bussing schedule will remain the same (9:00 a.m. – 3:45 p.m.) up until and including June 15th. As of June 18th, the busses will continue with their regular pick up time but will be departing from LPHS at 1:00 p.m. The bus service ends as of Tuesday June 19th 2018.

Cafeteria Schedule: The cafeteria will be running full service until June 7th; on June 8th there will be breakfast/recess service only as we are having our end-of-year barbecue. Please note that as of June 11th, the cafeteria will be completely closed to students and staff. Although the cafeteria service will be closed, students may continue to use the microwaves in the cafeteria and eat their own lunches there.

Protocol during exams: Please review the attached memo regarding the protocol for exams. Please note that the Smart Watch has been added to the list of prohibited items during exams. Please also note that as warmer weather begins, students should make sure to come with water bottles, as the temperature in the building can sometimes get quite hot.

The LPHS Administration and staff wish good luck to all students during this examination period.

Mr. D. Estok,
Principal

Ms. C. Dane
Vice Principal
