Dear LPHS parents,

Thank you again for your participation in our “Meet the Teacher” evening. There was positive energy felt supporting a movement forward into the school year.

As was presented at the Governing Board AGA meeting by Mr. David Meloche, our Regional Director, Lindsay Place will be rendering a service to Commission Scolaire Marguerite-Bourgeoys (CSMB) for this year by allowing for the rental of 8 classrooms on the second floor of our building. CSMB is currently experiencing extreme pressure due to building capacity overages with newly arriving families from abroad. They have had 3200 new students in the last year and are continuing to register 230 new students per week in their oversubscribed schools (130% capacity on average). Their transition to LPHS is planned to begin by the end of October or early November 2018. We will be welcoming 10 staff members and approximately 120 students from their grade 7-11 classe d'accueil.

Since this was just recently confirmed, we are in the midst of planning and organizing the logistics with our staff. Although the CSMB students and staff will be housed in a designated area of the school, we hope to make them feel welcome and integrate them seamlessly into our community. They will be self-sufficient and their students will not be sharing any classes with ours. We will be providing updates of the progress at each Governing Board meeting. Should you have any questions please send them directly to Mr. Meloche. (dmeloche@lbpsb.qc.ca).

Respectfully,

Mrs. Payette
Principal
